

2024 Lone Star Fireworks Festival Pyro Information and Resources

Thank you for being part of this event. Without you, none of this would be possible. Here is the information, schedule, and contacts for the weekend.

Information:

- Please register on the website before you start helping. [Register here.](#)
- For Saturday, you will need a blue armband to be allowed onto the field (this will keep the ticket takers from stopping you every time)
- If you have any fire extinguishers that you brought, please make sure that they are fully charged and leave them in the stage area.
- During the shows on Friday and Saturday, please consider helping with fire duty.
- If you need a crew to work with, please contact Beth Stasey.
- If you are in need of additional help/crew, please contact Beth Stasey.
- Lead shooters are responsible for the take down of racks and clean up of their show. Any borrowed materials need to be returned to their owner.
- If you need minor medical attention, please contact Beth Stasey. We have medical supplies and first aid on site.
